

## MRes Cover Sheet – 2020-2021

**(This must be used for MRes units bearing the prefix XX)**

Assignments should be submitted by **12pm on the deadline** to the **MRes locker by 1W 3.04 (if hard copies are required)**. Coursework submitted late without prior approval will normally receive a maximum mark of 40%.

For units on the MRes Programme which are run by specific departments and have a different letter prefix, you should use a different cover sheet and follow different submission instructions. Please consult the Unit Convenor.

Forms to request extensions are available from your Department or School (see information in the MRes Programme Handbook).

**For all XX units, please follow the instructions in the MRes Programme Moodle on formatting and presenting assignments.**

|                         |                          |
|-------------------------|--------------------------|
| <b>Name of student</b>  | <b>Sam Taylor</b>        |
| <b>Degree programme</b> | MRes Sustainable Futures |
| <b>Unit code number</b> | <b>XX50140</b>           |
| <b>Unit title</b>       | <b>MRes Dissertation</b> |
| <b>Unit convenor</b>    | <b>Kerry Papps</b>       |
| <b>Word count</b>       |                          |

### **Declaration**

I certify that I have understood the guidelines on Cheating and Plagiarism in the MRes Programme Handbook, and that all material in this assignment is my own work, except where I have indicated with appropriate references.

I accept that all files uploaded will be submitted to the plagiarism detection service Turnitin.com
